## Tour Timeline

Day 01 - <b>Bentota</b>	Bentota is a resort town on Sri Lanka's southwest coast. Its long Bentota Beach stretches north, where it becomes a sandy strip known as Paradise Island, parallel to Bentota Lagoon. Coral-rich dive sites include Canoe Rock. On Bentota River, centuries-old Galapota Temple has a large Buddha statue. Southeast is Lunuganga, the estate and gardens of architect Geoffrey Bawa. Northeast is his brother Bevis's Brief Garden.
Day 02 - <b>Galle</b>	Galle is a city on the southwest coast of Sri Lanka. It's known for Galle Fort, the fortified old city founded by Portuguese colonists in the 16th century. Stone sea walls, expanded by the Dutch, encircle car-free streets with architecture reflecting Portuguese, Dutch and British rule. Notable buildings include the 18th-century Dutch Reformed Church. Galle Lighthouse stands on the fort's southeast tip
Day 03 - <b>Kandy</b>	Kandy is a large city in central Sri Lanka. It's set on a plateau surrounded by mountains, which are home to tea plantations and biodiverse rainforest. The city's heart is scenic Kandy Lake (Bogambara Lake), which is popular for strolling. Kandy is famed for sacred Buddhist sites, including the Temple of the Tooth (Sri Dalada Maligawa) shrine, celebrated with the grand Esala Perahera annual procession.

Day 04 - <b>Colombo</b>	Colombo, the capital of Sri Lanka, has a long history as a port on ancient east-west trade routes, ruled successively by the Portuguese, Dutch and British. That heritage is reflected in its architecture, mixing colonial buildings with high-rises and shopping malls. The imposing Colombo National Museum, dedicated to Sri Lankan history, borders sprawling Viharamahadevi Park and its giant Buddha.
